Date:

Subject: Job Reference

We hereby certify that Mr. Alexander Schoch, born on May 9th, 1999 as a Swiss Citizen, was employed by our company between September 18th, 2023 and March 29th, 2024.

Novamem is a manufacturer and supplier of water and energy membranes as well as point-of-use water filtration systems. Alexander Schoch was employed by Novamem as an R&D engineering intern. He was responsible for the following tasks:

- Development of new type of venting membranes
- Pilot production of said membranes on our pilot coater
- Analyzing said membranes for basic and advanced performance parameters
- Conducting business case studies on the effective potential of said membranes
- Communicating with potential clients for said membrane
- Documenting, reporting and presenting the progress made in the field to the internal board but also to external partners

Flexible and result-oriented, Alexander Schoch carried out his duties effectively in a confident, reliable, precise manner, concerning deadlines.

Alexander Schoch carried out every aspect of his work to our highest quality standards. He was widely trusted and highly respected by his supervisors, colleagues, and customers.

Alexander Schoch worked for our R&D with passion, personal commitment and carried out the responsibilities entrusted to him to the satisfaction of our company.

His internship was limited in duration and came to an end on the agreed date. We regret losing such a valuable employee and wish him all the best for his future endeavors.

Dr. Michael Loepfe
CTO Novamem AG
